

# Taylor Swift - Chloe Or Sam Or Sophia Or Marcus

tom:  
 Your hologram <sup>C</sup> stumbled into my apartment <sup>F</sup>  
 Hands in the hair of somebody in darkness  
 Named <sup>F</sup> Chloe or Sam or Sophia or Marcus  
 And I just watched it happen <sup>G</sup>  
 As the decade would play us for fools <sup>C</sup>  
 And you saw my bones out with somebody new  
 Who seemed like he would've bullied you in school  
 And you just watched it happen <sup>G</sup>

<sup>Dm</sup> If you wanna break my cold, cold heart <sup>G</sup>  
 Just say: I loved you the way that you were <sup>C</sup> <sup>F</sup>  
<sup>Dm</sup> If you wanna tear my world apart <sup>G</sup>  
 Just say you've always wondered <sup>C</sup> <sup>F</sup>

<sup>F</sup> You said some things that I can't unabsorb  
 You turned me into an idea of sorts  
 You needed me, but you needed drugs more  
 And I couldn't watch it happen <sup>G</sup>  
 I changed into goddesses, villains and fools  
 Changed plans and lovers, and outfits and rules  
 All to outrun my desertion of you  
 And you just watched it <sup>G</sup>

<sup>Dm</sup> If you wanna break my cold, cold heart <sup>G</sup>  
 Just say: I loved you the way that you were <sup>C</sup> <sup>F</sup>

<sup>Dm</sup> If you wanna tear my world apart <sup>G</sup>  
 Just say you've always wondered <sup>C</sup> <sup>F</sup>  
 If the glint in my eye traced the depths of your sigh <sup>Dm</sup>  
 Down that passage in time back to the moment <sup>G</sup>  
 I crashed into you, like so many wrecks do <sup>C</sup>  
 Too impaired by my youth to know what to do <sup>F</sup> <sup>F</sup>  
 So if I sell my apartment  
 And you have some kids with an internet starlet <sup>C</sup>  
 Will that make your memory fade from this scarlet maroon <sup>F</sup> <sup>G</sup>  
 Like it never happened?  
 Could it be enough to just float in your orbit? <sup>F</sup>  
 Can we watch our phantoms like watching wild horses? <sup>C</sup>  
 Cooler in theory, but not if you force it to be <sup>F</sup> <sup>G</sup>  
 It just didn't happen

<sup>Dm</sup> So if you wanna break my cold, cold heart <sup>G</sup>  
 Say you loved me <sup>C</sup> <sup>F</sup>  
<sup>Dm</sup> And if you wanna tear my world apart <sup>G</sup>  
 Say you'll always wonder <sup>C</sup> <sup>F</sup>

<sup>Dm</sup> <sup>G</sup> <sup>C</sup>  
 (Ah-ah-ah-ah-ah)  
 'Cause I wonder <sup>F</sup>  
<sup>Dm</sup> (Ah-ah-ah)  
<sup>G</sup> Will I always (Ah-ah-ah)  
<sup>C</sup> Will I always wonder? <sup>F</sup>
