Taylor Swift - Clara Bow

```
                              tom:
                 G                [Primeira Parte]

Bm   D   G     D
You look like Clara Bow
Bm   D     G
In this light
D
Remarkable
Bm    D    G
All your life
D
Did you know?
G   D  G     D
You'd be picked like a rose

[Refrão]

G
I'm not trying to exaggerate

But I think I might die if it happened

Die if it happened to me

No one in my small town thought I'd see

The lights of Manhattan
   D           G
This town is fake but you're the real

Thing
Bm               D
Breath of fresh air through smoke rings
          G
Take the glory, give everything
 Bm       D   G
Promise to be dazzling

( D  G  D  G  D )

[Segunda Parte]

G  D   G     D
You look like Stevie Nicks
   Bm  D   G
In seventy five
D
The hair and lips
   G   D   G       D
The crowd goes wild at her fingertips
Bm    D      G     D   G
Half moon shine, a full eclipse

[Refrão]

G
I'm not trying to exaggerate
       G7M
But I might die if I made it, die if I

Made it

No one in my small town thought I'd

Meet these suits in LA they all want to

Say
   D           G
This town is fake but you're the real

Thing
Bm                    D
Breath of fresh air through smoke rings
          G
Take the glory, give everything
 Bm        D
Promise to be dazzling
[Ponte]

The crown is stained
  G2
But you're the real queen
Bm              D
Flesh and blood amongst war machines
             G2
You're the new God, we're worshipping
Bm        D
Promise to be dazzling
             G2
Beauty is a beast that roars down on
   Bm         D
All fours demanding more
           G2
Only when your girlish glow flickers
  Bm
Just so
           D
Do they let you know
     G           D
It's hell on Earth to be heavenly
 G             D
Them's the brakes they don't come

Gently

[Terceira Parte]

G  D   G     D
You look like Taylor Swift
G   D     G
In this light
D
We're loving it
G              D
You've got edge, she never did
  Bm   D     G
The future's bright
D
Dazzling
```
