

Taylor Swift - Clara Bow

tom:
[Primeira Parte]

G

You look like Clara Bow
In this light
Remarkable
All your life
Did you know?
You'd be picked like a rose

[Refrão]

I'm not trying to exaggerate
But I think I might die if it happened
Die if it happened to me
No one in my small town thought I'd see
The lights of Manhattan
This town is fake but you're the real

Thing
Breath of fresh air through smoke rings
Take the glory, give everything
Promise to be dazzling

(D G D G D)

[Segunda Parte]

You look like Stevie Nicks
In seventy five
The hair and lips
The crowd goes wild at her fingertips
Half moon shine, a full eclipse

[Refrão]

I'm not trying to exaggerate

But I might die if I made it, die if I
Made it
No one in my small town thought I'd
Meet these suits in LA they all want to
Say
This town is fake but you're the real
Thing
Breath of fresh air through smoke rings
Take the glory, give everything
Promise to be dazzling
[Ponte]

The crown is stained
But you're the real queen
Flesh and blood amongst war machines
You're the new God, we're worshipping
Promise to be dazzling
Beauty is a beast that roars down on
All fours demanding more
Only when your girlish glow flickers
Just so

Do they let you know
It's hell on Earth to be heavenly
Them's the brakes they don't come

Gently

[Terceira Parte]

You look like Taylor Swift
In this light
We're loving it
You've got edge, she never did
The future's bright
Dazzling

Acordes
