F C Dm Bb  
 You have a way of coming easily to me  
 F C Dm Bb  
 And when you take, you take the very best of me  
 Bb C  
 So I start a fight cause I need to feel something  
 Bb  
 And you do what you want cause I'm not what you wanted

F C Dm Bb  
 Oh what a shame, what a rainy ending given to a perfect day  
 F C Dm  
 Just walk away, ain't no use defending words that you will never say  
 Dm C  
 And now that I'm sitting here thinking it thinking it through  
 Bb C Dm C Bb  
 C F  
 I've never been anywhere cold as you

F C Dm Bb  
 You put up walls and paint them all a shade of gray  
 F C Dm Bb  
 And I stood there loving you and wished them all away  
 Bb C  
 And you come away with a great little story  
 Bb  
 Of a mess of a dreamer with the nerve to adore you

F C Dm Bb  
 Oh what a shame, what a rainy ending given to a perfect day  
 F C Dm  
 Bb  
 Just walk away, ain't no use defending words that you will never say  
 Dm C  
 And now that I'm sitting here thinking it thinking it through  
 Bb C Dm C Bb  
 C F  
 I've never been anywhere cold as you

Dm C Bb C  
 You never did give a damn thing honey but I cried, cried for you  
 Dm C Bb  
 Bb F C Dm Bb  
 And I know you wouldn't have told nobody if I died, died for you

F C Dm Bb  
 Oh what a shame, what a rainy ending given to a perfect day  
 F C  
 Every smile you fake is so condescending  
 Dm Bb  
 Counting all the scars you made  
 Dm C  
 And now that I'm sitting here thinking it through  
 Bb C  
 I've never been anywhere cold as you
