

Taylor Swift - Cold As You

Tom: F

Dm C Bb Dm C F

F C Dm Bb
 You have a way of coming easily to me
 F C Dm Bb
 And when you take, you take the very best of me
 Bb C
 So I start a fight cause I need to feel something
 Bb
 And you do what you want cause I'm not what you wanted

F C Dm Bb
 Oh what a shame, what a rainy ending given to a perfect day
 F C Dm
 Just walk away, ain't no use defending words that you will never say
 Dm C
 And now that I'm sitting here thinking it thinking it through
 Bb C Dm C Bb
 C F
 I've never been anywhere cold as you

F C Dm Bb
 You put up walls and paint them all a shade of gray
 F C Dm Bb
 And I stood there loving you and wished them all away
 Bb C
 And you come away with a great little story
 Bb
 Of a mess of a dreamer with the nerve to adore you

F C Dm Bb
 Oh what a shame, what a rainy ending given to a perfect day
 F C Dm

 Just walk away, ain't no use defending words that you will never say

 I've never been anywhere cold as you
 Dm C Bb C
 You never did give a damn thing honey but I cried, cried for you
 Dm C Bb
 Bb F C Dm Bb
 And I know you wouldn't have told nobody if I died, died for you
 F C Dm Bb
 Oh what a shame, what a rainy ending given to a perfect day
 F C
 Every smile you fake is so condescending
 Dm Bb
 Counting all the scars you made
 Dm C
 And now that I'm sitting here thinking it through
 Bb C
 I've never been anywhere cold as you
