 Intro: ^G ^C ^D ^{Em} ^C

^{Bm}
 Break my soul in two looking for you

^C
 But you're right here

^D
 If I can't relate to you anymore

^{Em} ^C
 Then who am I related to?

^{Bm}
 And if this is the long haul

^C
 How'd we get here so soon?

^D
 Did I close my fist around something delicate?

^{Em} ^C
 Did I shatter you?

^{Em} ^C
 And I'm sitting on a bench in Coney Island

^G
 Wondering where did my baby go?

^{Bm}
 The fast times, the bright lights, the merry go

^C ^D
 Sorry for not making you my centerfold

^{Em}
 Over and over

^C
 Lost again with no surprises

^G
 Disappointments close your eyes

^{Bm} ^C
 And it gets colder and colder

^D
 When the sun goes down

(^{Em} ^C)

^{Bm}
 The question pounds my head

^C
 What's a lifetime of achievement

^D
 If I pushed you to the edge?

^{Em} ^C
 But you were too polite to leave me

^{Bm}
 Do you miss the rogue

^C
 Who coaxed you into paradise and left you there?

^D
 Will you forgive my soul

^{Em} ^C
 When you're too wise to trust me and too old to care?

^{Em} ^C
 'Cause we were like the mall before the internet

^G
 It was the one place to be

^{Bm}
 The mischief, the gift-wrapped suburban dreams

^C ^D
 Sorry for not winning you an arcade ring

^{Em}
 Over and over

^C
 Lost again with no surprises

^G
 Disappointments close your eyes

^{Bm} ^C
 And it gets colder and colder

^D
 When the sun goes down

^{Em} ^C
 Were you waiting at our old spot

In the tree line

^G
 By the gold clock

Did I leave you hanging every single day?

^{Bm} ^C
 Were you standing in the hallway

^D
 With a big cake, happy birthday

Did I paint your bluest skies the darkest grey?

^{Em}
 The universe waits

^C
 And when I got into the accident

^G
 The sight that flashed before me was your face

^{Bm} ^D
 But when I walked up to the podium I think that I forgot to say your name

^{Em} ^C
 I'm on a bench in Coney Island

^G
 Wondering where did my baby go

^{Bm}
 The fast times, the bright lights, the merry go

^C ^D
 Sorry for not making you my centerfold

^{Em}
 Over and over

^C
 Lost again with no surprises

^G
 Disappointments close your eyes

^{Bm} ^C
 And it gets colder and colder

 When the sun goes down

 When the sun goes down

^G
