

Taylor Swift - Coney Island

tom:
 Capotraste na 1ª casa
 Intro: G C D Em C

Bm
 Break my soul in two looking for you

C
 But you're right here

D
 If I can't relate to you anymore

Em C
 Then who am I related to?

Bm
 And if this is the long haul

C
 How'd we get here so soon?

D
 Did I close my fist around something delicate?

Em C
 Did I shatter you?

Em C
 And I'm sitting on a bench in Coney Island

G
 Wondering where did my baby go?

Bm
 The fast times, the bright lights, the merry go

C D
 Sorry for not making you my centerfold

Em
 Over and over

C
 Lost again with no surprises

G
 Disappointments close your eyes

Bm C
 And it gets colder and colder

D
 When the sun goes down

(Em C)

Bm
 The question pounds my head

C
 What's a lifetime of achievement

D
 If I pushed you to the edge?

Em C
 But you were too polite to leave me

Bm
 Do you miss the rogue

C
 Who coaxed you into paradise and left you there?

D
 Will you forgive my soul

Em C
 When you're too wise to trust me and too old to care?

Em C
 'Cause we were like the mall before the internet

G
 It was the one place to be

Bm
 The mischief, the gift-wrapped suburban dreams

C D
 Sorry for not winning you an arcade ring

Em
 Over and over

C
 Lost again with no surprises

G
 Disappointments close your eyes

Bm C
 And it gets colder and colder

D
 When the sun goes down

Em C
 Were you waiting at our old spot

In the tree line

G
 By the gold clock

Did I leave you hanging every single day?

Bm C
 Were you standing in the hallway

D
 With a big cake, happy birthday

Did I paint your bluest skies the darkest grey?

Em
 The universe waits

C
 And when I got into the accident

G
 The sight that flashed before me was your face

Bm D
 But when I walked up to the podium I think that I forgot to say your name

Em C
 I'm on a bench in Coney Island

G
 Wondering where did my baby go

Bm
 The fast times, the bright lights, the merry go

C D
 Sorry for not making you my centerfold

Em

 When the sun goes down
