tom:  
 Capotraste na 1ª casa  
 Intro: G C D Em C

Bm  
 Break my soul in two looking for you  
 C  
 But you're right here

D  
 If I can't relate to you anymore  
 Em C  
 Then who am I related to?

Bm  
 And if this is the long haul  
 C  
 How'd we get here so soon?

D  
 Did I close my fist around something delicate?  
 Em C  
 Did I shatter you?

Em C  
 And I'm sitting on a bench in Coney Island  
 G  
 Wondering where did my baby go?

Bm  
 The fast times, the bright lights, the merry go  
 C D  
 Sorry for not making you my centerfold

Em  
 Over and over  
 C  
 Lost again with no surprises  
 G  
 Disappointments close your eyes  
 Bm C  
 And it gets colder and colder  
 D  
 When the sun goes down  
 ( Em C )

Bm  
 The question pounds my head  
 C  
 What's a lifetime of achievement  
 D  
 If I pushed you to the edge?  
 Em C  
 But you were too polite to leave me  
 Bm  
 Do you miss the rogue  
 C  
 Who coaxed you into paradise and left you there?  
 D  
 Will you forgive my soul  
 Em C  
 When you're too wise to trust me and too old to care?

Em C  
 'Cause we were like the mall before the internet  
 G  
 It was the one place to be  
 Bm  
 The mischief, the gift-wrapped suburban dreams  
 C D  
 Sorry for not winning you an arcade ring

Em  
 Over and over  
 C  
 Lost again with no surprises  
 G  
 Disappointments close your eyes  
 Bm C  
 And it gets colder and colder  
 D  
 When the sun goes down

Em C  
 Were you waiting at our old spot  
 In the tree line  
 G  
 By the gold clock

Did I leave you hanging every single day?  
 Bm C  
 Were you standing in the hallway  
 D  
 With a big cake, happy birthday

Did I paint your bluest skies the darkest grey?  
 Em  
 The universe waits  
 C  
 And when I got into the accident  
 G  
 The sight that flashed before me was your face  
 Bm D  
 But when I walked up to the podium I think that I forgot to say your name
