

Taylor Swift - Coney Island

tom: A [Intro] G C D Em C

[Primeira Parte]

Bm Break my soul in two looking for you
 C But you're right here
 D If I can't relate to you anymore
 Em Then who am I related to?
 Bm And if this is the long haul
 C How'd we get here so soon?
 D Did I close my fist around something delicate?
 Em Did I shatter you?
 C

[Pré-Refrão]

Em And I'm sitting on a bench in Coney Island
 G Wondering where did my baby go?
 Bm The fast times, the bright lights, the merry go
 C Sorry for not making you my centerfold

[Refrão]

Em Over and over
 C Lost again with no surprises
 G Disappointments, close your eyes
 Bm And it gets colder and colder
 D When the Sun goes down

[Segunda Parte]

Bm The question pounds my head
 C What's a lifetime of achievement?
 D If I pushed you to the edge
 Em But you were too polite to leave me
 Bm And do you miss the rogue
 C Who coaxed you into paradise and left you there?
 D Will you forgive my soul
 Em When you're too wise to trust me and too old to care?
 C

[Pré-Refrão]

Em 'Cause we were like the mall before the internet
 G It was the one place to be
 Bm The mischief, the gift wrapped suburban dreams'
 C Sorry for not winning you an arcade ring
 D

[Refrão]

Em Over and over
 C Lost again with no surprises
 G Disappointments, close your eyes
 Bm And it gets colder and colder
 D When the Sun goes down

[Ponte]

Em Were you waiting at our old spot
 C In the tree line
 G By the gold clock?
 Did I leave you hanging every single day?
 Bm Were you standing in the hallway
 D With a big cake? Happy birthday
 Did I paint your bluest skies the darkest grey?
 Em A universe away
 C And when I got into the accident
 G The sight that flashed before me was your face
 Bm But when I walked up to the podium
 D I think that I forgot to say your name

[Pré-Refrão]

Em I'm on a bench in Coney Island
 C Wondering where did my baby go?
 G The fast times, the bright lights, the merry go
 Bm Sorry for not making you my centerfold
 D

[Refrão]

Em Over and over
 C Lost again with no surprises
 G Disappointments, close your eyes
 Bm And it gets colder and colder
 D When the Sun goes down

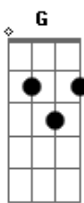

[Final]

Em When the Sun goes down
 G The sight that flashed before me was your face
 Bm When the Sun goes down
 C But I think that I forgot to say your name
 D Over and over
 G Sorry for not making you my, making you my
 Bm Making you my centerfold
 C D
