

Taylor Swift - Coney Island

tom: [Intro] G C D Em C

[Primeira Parte]

Break my soul in two looking for you
 But you're right here
 If I can't relate to you anymore
 Then who am I related to?
 And if this is the long haul
 How'd we get here so soon?
 Did I close my fist around something delicate?
 Did I shatter you?

[Pré-Refrão]

And I'm sitting on a bench in Coney Island
 Wondering where did my baby go?
 The fast times, the bright lights, the merry go
 Sorry for not making you my centerfold

[Refrão]

Over and over
 Lost again with no surprises
 Disappointments, close your eyes
 And it gets colder and colder
 When the Sun goes down

[Segunda Parte]

The question pounds my head
 What's a lifetime of achievement?
 If I pushed you to the edge
 But you were too polite to leave me
 And do you miss the rogue
 Who coaxed you into paradise and left you there?
 Will you forgive my soul
 When you're too wise to trust me and too old to care?

[Pré-Refrão]

'Cause we were like the mall before the internet
 It was the one place to be
 The mischief, the gift wrapped suburban dreams'
 Sorry for not winning you an arcade ring

[Refrão]

Over and over
 Lost again with no surprises
 Disappointments, close your eyes
 And it gets colder and colder
 When the Sun goes down
 [Ponte]
 Were you waiting at our old spot
 In the tree line
 By the gold clock?
 Did I leave you hanging every single day?
 Were you standing in the hallway
 With a big cake? Happy birthday
 Did I paint your bluest skies the darkest grey?
 A universe away
 And when I got into the accident
 The sight that flashed before me was your face
 But when I walked up to the podium
 I think that I forgot to say your name

[Pré-Refrão]

I'm on a bench in Coney Island
 Wondering where did my baby go?
 The fast times, the bright lights, the merry go
 Sorry for not making you my centerfold

[Refrão]

Over and over
 Lost again with no surprises
 Disappointments, close your eyes
 And it gets colder and colder
 When the Sun goes down

[Final]

When the Sun goes down
 The sight that flashed before me was your face
 When the Sun goes down
 But I think that I forgot to say your name
 Over and over
 Sorry for not making you my, making you my
 Making you my centerfold
