Bm
Deep blue, but you painted me golden
G
Oh, and you held me close
G
Oh, how was I to know?

Em
I could've spent forever with your hands in my pockets
Bm
Picture of your face in an invisible locket
G
You said there was nothing in the world that could stop it
G A
I had a bad feeling

And darling, you had turned my bed into a sacred oasis

Bm
People started talking, putting us through our paces

I knew there was no one in the world who could take it
G A

So, baby, can we dance
G
Oh, through an avalanche?
Em
And say, say that we got it

I'm a mess, but I'm the mess that you wanted
G
Oh, 'cause it's gravity

G
Oh, keeping you with me
