

Taylor Swift - Don't Blame Me

Tom: C

(com acordes na forma de G)
Capostrate na 5ª casa

Mmm mmm mmm
 Don't blame me, love made me crazy
 If it doesn't, you ain't doin' it right
 Lord, save me, my drug is my baby
 I'll be usin' for the rest of my life
 Mmm mmm mmm
 I've been breakin' hearts a long timeeee, and
 Toyin' with them older guys
 Just playthings for me to use
 Something happened for the first timeeee, in
 The darkest little paradise
 Shaking', pacin', I just need you
 For you, I would cross the line
 I would waste my time
 I would lose my mind
 They say she's gone too far this time
 Don't blame me, your love made me crazy
 If it doesn't, you ain't doin' it right
 Lord, save me, my drug is my baby
 I'll be usin' for the rest of my life
 Don't blame me, your love made me crazy
 If it doesn't, you ain't doin' it right
 Ohhh Lord save me, my drug is my baby
 I'll be usin' for the rest of my life
 My name is whatever you decide
 And I'm just gonna call you mine
 I'm insane, but I'm your baby (your baby)
 Echoes (echoes) of your name inside my mind
 Halo, hiding my obsession
 I once was poison ivy, but now I'm your daaiissy
 And baby, for you, I would fall from grace

Just to touch your face
 If you walk away
 I'd beg you on my knees to stay
 Don't blame me, your love made me crazy
 If it doesn't, you ain't doin' it right
 Lord, save me, my drug is my baby
 I'll be usin' for the rest of my life
 Don't blame me, your love made me crazy
 If it doesn't, you ain't doin' it right
 Ohhh Lord save me, my drug is my baby
 I'll be usin' for the rest of my life
 I get so high, oh
 Every time, yeah, every time you're lovin' me
 You're lovin' me
 Trip of my life, oh
 Every time, yeah, every time you're touchin' me
 You're touchin' me
 Every time, yeah, every time you're lovin' me...
 Oh, Lord, save me
 My drug is my baby
 I'd be usin' for the rest of my life
 (Usin' for the rest of my life, ohhhhh)
 Don't blame me, your love made me crazy
 If it doesn't, you ain't doin' it right (doin' it right)
 Lord, save me, my drug is my baby
 I'll be usin' for the rest of my life (ohh)
 Don't blame me, your love made me crazy (ooh ooh ooh)
 If it doesn't, you ain't doin' it right (doing doing it...right)
 Ohhh Lord save me, my drug is my baby
 I'll be usin' for the rest of my life (I'll be using)
 I get so high, oh
 Every time, yeah, every time you're lovin' me
 You're lovin' me
 Ohhh Lord save me, my drug is my baby
 I'll be usin' for the rest of my life
