B G<sup>b</sup>  
Did you really beam me up  
A<sup>b</sup>m E  
In a cloud of sparkling dust  
B  
Just to do experiments on  
G<sup>b</sup>  
Tell me I'm the chosen one  
A<sup>b</sup>m  
Show me that this world is bigger than us  
E  
Then sent me back where I came from  
B  
For a moment, I knew cosmic love  
B  
Now I'm down bad crying at the gym  
G<sup>b</sup>  
Everything comes out teenage petulance  
A<sup>b</sup>m  
Fuck it if I can't have him  
E  
I might just die, it would make no difference  
B  
Down bad, waking up in blood  
G<sup>b</sup>  
Staring at the sky, come back and pick me up  
A<sup>b</sup>m  
Fuck it, if I can't have us  
E B  
I might just not get up, I might stay down bad  
G<sup>b</sup> A<sup>b</sup>m  
Fuck it if I can't have him, down bad  
E  
Fuck it if I can't have him

B G<sup>b</sup>  
Did you take all my old clothes  
A<sup>b</sup>m E  
Just to leave me here naked and alone  
B  
In a field in my same old town  
G<sup>b</sup>  
That somehow seems so hollow now  
A<sup>b</sup>m E  
They'll say I'm nuts if I talk about the existence of you  
B  
For a moment I was heavenstruck  
B  
Now I'm down bad crying at the gym  
G<sup>b</sup>  
Everything comes out teenage petulance  
A<sup>b</sup>m  
Fuck it if I can't have him (Fuck it, if I can't have)  
E

I might just die, it would make no difference

I loved you hostile takeovers  
A<sup>b</sup>m  
Encounters closer and closer  
E  
All your indescent exposures  
B  
How dare you say that it's  
G<sup>b</sup>  
I'll build you a fort on some planet  
A<sup>b</sup>m  
Where they can all understand it  
E  
How dare you think it's romantic  
B  
Leaving me safe and stranded  
G<sup>b</sup> A<sup>b</sup>m  
'Cause fuck it I was in love
