[Primeira Parte]

**B** **G<sub>b</sub>**  
 Did you really beam me up  
**Abm** **E**  
 In a cloud of sparkling dust  
**B**  
 Just to do experiments on  
**G<sub>b</sub>**  
 Tell me I'm the chosen one  
**Abm**  
 Show me that this world is bigger than us  
**E**  
 Then sent me back where I came from  
**B**  
 For a moment, I knew cosmic love  
**B**  
 Now I'm down bad crying at the gym  
**G<sub>b</sub>**  
 Everything comes out teenage petulance  
**Abm**  
 Fuck it if I can't have him  
**E**  
 I might just die, it would make no difference  
**B**  
 Down bad, waking up in blood  
**G<sub>b</sub>**  
 Staring at the sky, come back and pick me up  
**Abm**  
 Fuck it, if I can't have us  
**E** **B**  
 I might just not get up, I might stay down bad  
**G<sub>b</sub>** **Abm**  
 Fuck it if I can't have him, down bad  
**E**  
 Fuck it if I can't have him

**B** **G<sub>b</sub>**  
 Did you take all my old clothes  
**Abm** **E**  
 Just to leave me here naked and alone  
**B**  
 In a field in my same old town  
**G<sub>b</sub>**  
 That somehow seems so hollow now  
**Abm** **E**  
 They'll say I'm nuts if I talk about the existence of you  
**B**  
 For a moment I was heavenstruck  
**B**  
 Now I'm down bad crying at the gym  
**G<sub>b</sub>**  
 Everything comes out teenage petulance  
**Abm**  
 Fuck it if I can't have him (Fuck it, if I can't have)  
**E**

I might just die, it would make no difference  
**B**  
 Down bad, waking up in blood  
**G<sub>b</sub>**  
 Staring at the sky, come back and pick me up  
**Abm**  
 Fuck it, if I can't have us  
**E** **B**  
 I might just not get up, I might stay down bad (Like I lost my twin)  
**G<sub>b</sub>** **Abm**  
 Fuck it if I can't have him, down bad  
**E**  
 Fuck it if I can't have him

[Ponte]

**B** **G<sub>b</sub>**  
 I loved you hostile takeovers  
**Abm**  
 Encounters closer and closer  
**E**  
 All your indescent exposures  
**B**  
 How dare you say that it's  
**G<sub>b</sub>**  
 I'll build you a fort on some planet  
**Abm**  
 Where they can all understand it  
**E**  
 How dare you think it's romantic  
**B**  
 Leaving me safe and stranded  
**G<sub>b</sub>** **Abm**  
 'Cause fuck it I was in love  
**E** **B G<sub>b</sub> Abm**  
 So fuck you if I can't have us  
**E**  
 'Cause fuck it I was in love
