[Primeira Parte]

D
A
Let's break it down, I'll take the story from the slamming of
the door

G
Thought it was perfect for a second, guess you weren't quite
as sure

Maybe I'm a little hard to get, maybe you didn't have the
patience

D
Let's assess the situation

D
A
That girl was biding her time, yeah, she was waiting on your
cue

So somehow I'm not surprised to see her standin' there with
you

Bm
Maybe she's a little overdressed and I can see the smile
you're fakin'

D
And the deep breath you're takin'

[Pré-Refrão]

D
When you see me now, you're not looking at her

Bm **A**
Yeah, it's a long way down from the bridges you burned

D **Em**
Might wanna sit down, I'm calling you out

D
Right now

[Refrão]

D **A**
'Cause you're a heartbreaker and she's a little drama queen

Bm **G** **A** **D**
I'm a little over it and she's still not me

D **A** **G**
So long and back to reality

G **Bm** **A** **D**
But this song's for you and your drama queen

[Segunda Parte]

D **A**
As I was saying, I was never quite a fan of the little games

G
It doesn't take too long to see that boys like you are all the
same

Maybe I'm a little less obsessed, but she's impressed

Acordes

Bm **A**
And I should mention, she's starving for attention

[Pré-Refrão]

Bm **A**
When she freaks out, you'll be thinkin' of me

D **Em**
'Cause what went down is coming back around

D
You'll see
