

# Taylor Swift - Drops Of Jupiter

Tom: Eb

(com acordes na forma de D )

Capostrate na 1ª casa

Intro: 2x: D A Em G

Now that he's back in the atmosphere  
 With drops of Jupiter in his hair, hey, hey  
 Walks like summer and talks like rain  
 Reminds me that there's time to change, hey, hey  
 Since the return from his stay on the moon  
 He listens like spring and he talks like June, hey, hey  
 Tell me did you sail across the sun  
 Did you make it to the Milky Way to see the lights all faded  
 And that heaven is overrated  
 Tell me, did you fall for a shooting star  
 One without a permanent scar  
 D A Em G (2x)  
 And did you miss me while you were looking for yourself out there  
 Now that he's back from that soul vacation  
 Tracing his way through the constellation, hey, hey  
 He checks out Mozart while he does tae-bo  
 Reminds me that there's a room to grow, hey, hey  
 But now that he's back in the atmosphere  
 I'm afraid that he might think of me as plain ol' Jane  
 Told a story about a man who is too afraid to fly so he never did land

Tell me did the wind sweep you off your feet  
 Did you finally get the chance to dance alone the light of day  
 And head back to the Milky Way  
 And tell me, did Venus blow your mind  
 Was it everything you wanted to find  
 And did you miss me while you were looking for yourself out there  
 Can you imagine no love, pride, deep-fried chicken  
 Your best friend always sticking up for you even when I know you're wrong  
 Can you imagine no first dance, freeze dried romance five-hour phone conversation  
 The best soy latte that you ever had... and me  
 Tell me did the wind sweep you off your feet  
 Did you finally get the chance to dance alone the light of day  
 And head back to the Milky Way  
 Tell me, did you fall for a shooting star  
 One without a permanent scar  
 And did you miss me while you were looking for yourself  
 na na na na na na na na na na oh oh  
 Can you imagine no love, pride, deep-fried chicken  
 Your best friend always sticking up for you even when I know you're wrong  
 Can you imagine no first dance, freeze dried romance five-hour phone conversation  
 The best soy latte that you ever had... and me
