

Taylor Swift - Drops Of Jupiter

Tom: Eb

(com acordes na forma de D)
 Capotraste na 1ª casa
 Intro: 2x: D A Em G

Now that he's back in the atmosphere
 With drops of Jupiter in his hair, hey, hey
 Walks like summer and talks like rain
 Reminds me that there's time to change, hey, hey
 Since the return from his stay on the moon
 He listens like spring and he talks like June, hey, hey
 Tell me did you sail across the sun
 Did you make it to the Milky Way to see the lights all faded
 And that heaven is overrated
 Tell me, did you fall for a shooting star
 One without a permanent scar
 D A Em G (2x)
 And did you miss me while you were looking for yourself out there
 Now that he's back from that soul vacation
 Tracing his way through the constellation, hey, hey
 He checks out Mozart while he does tae-bo
 Reminds me that there's a room to grow, hey, hey
 But now that he's back in the atmosphere
 I'm afraid that he might think of me as plain ol' Jane
 Told a story about a man who is too afraid to fly so he never did land

Tell me did the wind sweep you off your feet
 Did you finally get the chance to dance alone the light of day
 And head back to the Milky Way
 And tell me, did Venus blow your mind
 Was it everything you wanted to find
 And did you miss me while you were looking for yourself out there
 Can you imagine no love, pride, deep-fried chicken
 Your best friend always sticking up for you even when I know you're wrong
 Can you imagine no first dance, freeze dried romance five-hour phone conversation
 The best soy latte that you ever had... and me
 Tell me did the wind sweep you off your feet
 Did you finally get the chance to dance alone the light of day
 And head back to the Milky Way
 Tell me, did you fall for a shooting star
 One without a permanent scar
 And did you miss me while you were looking for yourself
 na na na na na na na na na na oh oh
 Can you imagine no love, pride, deep-fried chicken
 Your best friend always sticking up for you even when I know you're wrong
 Can you imagine no first dance, freeze dried romance five-hour phone conversation
 The best soy latte that you ever had... and me
