

# Taylor Swift - Enchanted - Wildest Dreams

tom:

G  
This night is sparkling  
Don't you let it go  
I'm wonder-struck  
Blushing all the way home  
I'll spend forever wondering if you knew  
That this night is flawless  
Don't you let it go  
I'm wonder-struck  
Dancing around all alone  
I'll spend forever wondering if you knew  
I was enchanted to meet you  
He said let's get out of this town  
Drive out of the city, away from the crowds  
I thought heaven can't help me now  
Nothing lasts forever, but this is gonna take me down  
He's so tall, and handsome as hell  
He's so bad but does it so well  
I can see the end as it begins my one condition is

[Chorus]  
G D  
Say you'll remember me  
Am C  
Standing in a nice dress, staring at the sunset babe  
G D  
Red lips and rosy cheeks  
Am C  
Say you'll see me again even if it's just in your

When we've had our very last kiss
