

Taylor Swift - Epiphany

tom:
 D (forma dos acordes no tom de Db)
 Capostraste na 1ª casa

Keep your helmet, keep your life, son
 Just a flesh wound. Here's your rifle

Crawling up the beaches now
 Sir, I think he's bleedin' out
 And some things you just can't speak about

With you, I serve, with you, I fall down down
 Watch you breathin', watch you breathin' out out

Something med school did not cover
 Someone's daughter. Someone's mother
 Holds your hand through plastic now
 Doc, I think she's crashin' out

Am7 F
 And some things you just can't speak about
 (C F F Am7 G Am7 F C G)

Only twenty minutes to sleep
 But you dream of some epiphany
 Just one single glimpse of relief
 To make some sense of what you've seen

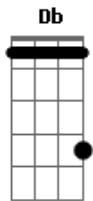

Am7 F C G
 With you, I serve, with you, I fall down down
 Am7 F C G
 Watch you breathin', watch you breathin' out out
 Am7 F C G
 With you, I serve, with you, I fall down down
 Am7 F C G
 Watch you breathin', watch you breathin' out out

Am7 F
 Only twenty minutes to sleep
 But you dream of some epiphany
 Am7 F
 Just one single glimpse of relief
 To make some sense of what you've seen
