

# Taylor Swift - Everything Has Changed

Tom: E  
Intro: E E E E E

All I knew this morning when I woke  
Is I know something now, know something now  
I didn't before  
And all I've seen since 18 hours ago  
Is green eyes and freckles and your smile in  
The back of my mind making me feel like  
I just want to know you better know, you better know you,  
better now  
I just want to know you better know, you better know, you  
better now  
I just want to know you better know, you better know, you  
better now  
I just want to know you, know you, know you

Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday, is everything has changed  
( E E E E E )

And all my walls stood tall, painted blue  
But I'll take them down, take them down  
And open up the door for you  
And all I feel in my stomach is butterflies  
The beautiful kind, making up for lost time  
Taking flight, making me feel like  
I just want to know you better know, you better know you,  
better now

I just want to know you better know, you better know, you  
better now

I just want to know you better know, you better know, you  
better now  
I just want to know you, know you, know you  
Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday, is everything has changed  
Come back and tell me why  
I'm feeling like I've missed you all this time  
Ahhh And meet me there tonight  
And let me know that it's not all in my mind

I just want to know you better know, you better know, you  
better now  
I just want to know you, know you, know you

Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday, is everything has changed

All I know is we said hello  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a new found grace  
All my days, I'll know your face  
All I know since yesterday, is everything has changed
