

Taylor Swift - False God

Tom: **D**
 Intro: **Em**
 We were crazy to think, crazy to think that this could work
 Remember how I said I'd die for you?
 We were stupid to jump in the ocean separating us
 Remember how I'd lie to you?
 And I can't talk to you when you're like this
 Staring out the window like I'm not your favorite town
 I'm New York City, I still do it for you, babe
 They all warned us about times like this
 They say the road gets hard and you get lost
 When you're led by blind faith, blind faith
 But we might just get away with it
 Religion's in your lips
 Even if it's a false god (We'd still worship)
 We might just get away with it
 The altar is my hips
 Even if it's a false god
 We'd still worship this love
 We'd still worship this love
 We'd still worship this love
 We'd still worship this love
 I know heaven's a thing, I go there when you touch me, honey
 Hell is when I fight with you

But we can patch it up good
 Make confessions and we're begging for forgiveness
 Got the wine for you
 And you can't talk to me when I'm like this
 Daring you to leave me just so I can try and scare you
 You're the West Village, You still do it for me, babe
 They all warned us about times like this
 They say the road gets hard and you get lost
 When you're led by blind faith, blind faith
 But we might just get away with it
 Religion's in your lips
 Even if it's a false god (We'd still worship)
 We might just get away with it
 The altar is my hips
 Even if it's a false god
 We'd still worship this love
 We'd still worship this love
 We'd still worship this love
 Still worship this love
 Even if it's a false god
 Even if it's a false god
 Still worship this love
