A There's something 'bout the way
A The street looks when it's just rained
There's a glow off the pavement
You walk me to the car
And you know I wanna ask you to dance right there
In the middle of the parking lot
Yeah
Oh Yeah
D We're drivin' down the road
A I wonder if you know
I'm trying so hard not to get caught up now
D But you're just so cool
A Run your hands through your hair
Absent mindedly making me want you
D And I don't know how it gets better than this
You take my hand and drag me head first, fearless
D And I don't know why but with you I'd dance
In a storm in my best dress, fearless
(D A Em G)
D So baby drive slow till we run out of road
In this one horse town

I wanna stay right here in this passenger seat
you put your eyes on me
In this moment now capture it remember it
D Cause I don't know how it gets better than this
You take my hand and drag me head first, fearless
D And I don't know why but with you I'd dance
In a storm in my best dress, fearless
(D A Em G)
C Yea you stood there with me in the doorway
my hands shake & im not usually this way
C But you pull me in & im a little more brave
A It's a first kiss, it's flawless, really something
A It's fearless
Ohh.. Yeah
D And I don't know how it gets better than this
You take my hand and drag me head first, fearless
D And I don't know why but with you I'd dance
In a storm in my best dress, fearless
D Yeah I don't know how it gets better than this
You take my hand and drag me head first, fearless
D And I don't know why but with you I'd dance
In a storm in my best dress, fearless
Oh.. oh, yeah, yeah
