

# Taylor Swift - Florida!!! (feat. Florence + The Machine)

tom:  
 [Primeira Parte]  
 You can beat the heat if you beat the charges too  
 They said I was a cheat, I guess it must be true  
 And my friends, all smell like weed or little babies  
 And the city reeks of driving myself crazy

[Pré-Refrão]

Little did you know your home's really only  
 A town you're just a guest in  
 So you work your life away just to pay  
 For a time-share down in Destin

[Refrão]

Florida  
 Is one hell of a drug  
 Florida  
 Can I use you up?

[Segunda Parte]

The hurricane with my name when it came  
 I got drunk and I dared it to wash me away  
 Barricaded in the bathroom with a bottle of wine  
 Well, m? and my ghosts, we had a hell of a time  
 Y?s, I'm haunted, but I'm feeling just fine  
 All my girls got their lace and their crimes  
 And your cheating husband disappeared  
 Well, no one asks any questions here

[Terceira Parte]

So I did my best to lay to rest  
 All of the bodies that have ever been on my body  
 And in my mind, they sink into the swamp  
 Is that a bad thing to say in a song?

[Pré-Refrão]

Little did you know your home's really only  
 The town you'll get arrested  
 So you pack your life away just to wait out  
 The shitstorm back in Texas

[Refrão]

Florida  
 Is one hell of a drug  
 Florida  
 Can I use you up?

[Ponte]

I need to forget, so take me to Florida  
 I've got some regrets, I'll bury them in Florida  
 Tell me I'm despicable, say it's unforgivable  
 At least the dolls are beautiful, fuck me up, Florida  
 I need to forget, so take me to Florida  
 I've got some regrets, I'll bury them in Florida  
 Tell me I'm despicable, say it's unforgivable  
 What a crash, what a rush, fuck me up, Florida  
 Is one hell of a drug  
 Is one hell of a drug  
 Love left me like this and I don't want to exist  
 So take me to Florida

[Pré-Refrão]
