

Taylor Swift - Forever And Always

Tom: G

(capo 3ª casa)

Once upon a time, I believe it was a Tuesday
 When I caught your eye, we caught onto something
 I hold onto the night, you looked me in the eye
 And told me you loved me, were you just kidding?
 'Cause it seems to me his thing is breaking down
 We almost never speak, I don't feel welcome anymore
 Baby what happened
 Please tell me cause one second it was perfect
 Now you're halfway out the door
 And I stare at the phone, he still hasn't called
 And then you feel so low you can't feel, nothing at all
 And you flashback to when he said forever and always
 Oh, and it rains in your bedroom, everything is wrong
 It rains when you're here and it rains when you're gone
 'Cause I was there when you said forever and always
 Was I out of line? Did I say something way to honest?
 Made you run and hide like a scared little boy
 I looked into your eyes, thought I knew you for a minute
 Now I'm not so sure
 So here's to everything coming down to nothing
 Here's to silence that cuts me to the core
 Where is this going?

Thought I knew for a minute but I don't anymore

And I stare at the phone, he still hasn't called
 And then you feel so low you can't feel, nothing at all
 And you flashback to when he said forever and always
 Oh, and it rains in your bedroom, everything is wrong
 It rains when you're here and it rains when you're gone
 'Cause I was there when you said forever and always
 Did you mean it baby?
 I don't think so
 (C G D Em7 C G D)
 Oh back up, baby back up
 Did you forget everything?
 Back up, baby back up
 Did you forget everything?
 'Cause it rains in your bedroom, everything is wrong
 It rains when you're here and it rains when you're gone
 'Cause I was there when you said forever and always
 Oh I stare at the phone, he still hasn't called
 And then you feel so low you can't feel, nothing at all
 And you flashback to when we said forever and always
 And it rains in your bedroom, everything is wrong
 It rains when you're here and it rains when you're gone
 'Cause I was there when you said forever and always
 You didn't mean it baby
 You said forever and always yeah
