

Taylor Swift - Forever And Always

tom:
 Capostraste na 3ª casa ^{Bb (forma dos acordes no tom de G)}
 Once upon a time ^C
 I believe it was a Tuesday ^{G D}
 When I caught your eye ^C
 We caught onto something ^{G D}
 I hold onto the night ^C
 You looked me in the eye ^{G D}
 And told me you loved me ^{C D}
 Were you just kidding? ^C
 'Cause it seems to me ^C
 This thing is breaking down ^{G D}
 We almost never speak ^C
 I don't feel welcome anymore ^{G D}
 Baby what happened ^C
 Please tell me cause one second it was perfect ^G
 Now you're halfway out the door ^D
 And I stare at the phone ^C
 He still hasn't called ^G
 And then you feel so low you can't feel ^{D Em7}
 Nothing at all ^C
 And you flashback to when he said ^G
 "Forever and always" ^D
 Oh, and it rains in your bedroom ^C
 Everything is wrong ^G
 It rains when you're here and it rains ^{D Em7}
 When you're gone ^C
 'Cause I was there when you said ^G
 "Forever and always" ^D
 When my silence came ^C
 We were shaking, blind, and hazy ^G
 How the hell did we lose sight of us again? ^{Em7 D}
 Sobbing with your head in your hands ^{C G}
 Ain't that the way shit always ends? ^{Em7 D}
 You were standing hollow-eyed in the hallway ^{C G}

^{Em7 D}
 Carnations you had thought were roses ^C
 That's us ^G
 I feel you, no matter what ^D
 The rubies that I gave up ^{C G}
 And I lost you ^{Em7 D}
 The one I was dancing with ^{C G}
 In New York, no shoes ^{Em7 D}
 Looked up at the sky, and it was ^C
 The burgundy on my T-shirt ^G
 When you splashed your wine onto me ^{Em7}
 And how the blood rushed into my cheeks ^D
 So scarlet, it was ^C
 The mark you saw on my collarbon? ^G
 The rust that grew between t?lephones ^{Em7}
 The lips I used to call "home" ^D
 So scarlet, it was maroon ^(C G Em7 D)
 And I wake, with your memory over me ^{C G}
 That's a real fucking legacy, legacy ^{Em7 D}
 And I wake with your memory over me ^{C G}
 That's a real fucking legacy to leave ^{Em7 D}
 Oh back up, baby back up ^{Em7 C}
 Did you forget everything? ^D
 Back up, baby back up ^{Em7 C}
 Did you forget everything? ^{D C}
 The burgundy on my T-shirt ^C
 When you splashed your wine onto me ^G
 And how the blood rushed into my cheeks ^{Em7}
 So scarlet, it was ^D
 The mark you saw on my collarbon? ^C
 The rust that grew between t?lephones ^G
 The lips I used to call "home" ^{Em7}
 So scarlet, it was maroon ^{D C G Em7 D}
 And it was maroon ^{C G Em7 D}
 And it was maroon ^C
