

Taylor Swift - Fortnight (feat. Post Malone)

tom:
 I was supposed to be sent away
 But they forgot to come and get me
 I was a functioning alcoholic till nobody
 Noticed my new aesthetic
 All of this to say: I hope you're okay
 But you're the reason
 And no one here's to blame
 But what about your quiet treason?
 And for a fortnight, there we were
 Forever running to you
 Sometimes ask about the weather
 Now, you're in my backyard, turned into good neighbours
 Your wife waters flowers, I wanna kill her
 All my mornings are Mondays
 Stuck in an endless February
 I took the miracle move-on drug
 The effects were temporary
 And I love you, it's ruining my life
 (And I love you, it's ruining my life)
 I touched you for only a fortnight
 (I touched you), but I touched you
 And for a fortnight, there we were
 Forever running to you

Sometimes ask about the weather
 Now, you're in my backyard, turned into good neighbours
 Your wife waters flowers, I wanna kill her
 And for a fortnight, there we were
 Together, running to you
 Sometimes come and tug my sweater
 Now, you're at the mailbox, turned into good neighbours
 My husband is cheating, I wanna kill him
 And I love you, it's ruining my life
 (And I love you, it's ruining my life)
 I touched you for only a fortnight
 (I touched you), I touched you
 And I love you, it's ruining my life
 (And I love you, it's ruining my life)
 I touched you for only a fortnight
 (I touched you), I touched you
 I'm calling ya, but you won't pick up
 ?No other fortnight lost in America
 Move to Florida, buy the car you want
 But it won't start up till you touch, touch, touch me
 I'm calling ya, but you won't pick up
 ?No other fortnight lost in America
 Move to Florida, buy the car you want
 But it won't start up till I touch, touch, touch you
