tom:
 Capotraste na 3ª casa

Bb (forma dos acordes no tom de **G**)

G **D** **Em7**
 I will never lose my baby again

Cadd9
 My friends tried, but I wouldn't hear it

G **D** **Em7**
 Watch me daily disappearing

Cadd9
 For just one glimpse of his smile

G **D** **Em7**
 All those nights you kept me going

Em7 **Cadd9**
 Swirled you into all of my poems

Cadd9
 Now we're at the starting line, I did my time

G **Em7**
 Now, pretty baby, I'm running

Cadd9
 To the house where you still wait up, and that porch light

G
 Gleams

Em7 **Cadd9**
 To the one who says I'm the girl of his American dreams

D
 And no matter what I've done, it wouldn't matter anyway

Em7
 Ain't no way I'm gonna screw up now that I know what's at stake

Cadd9 (- pausa)
 Here

Cadd9
 At the park where we used to sit on children's swings

D
 Wearing imaginary rings

Em7
 But it's gonna be alright

Cadd9
 I did my time

G
 Camera flashes, welcome bashes

D **Em7** **Cadd9**

Get the matches, toss the ashes off the ledge As I said

G **D**
 In my letters, now that I know better

Em7 **Cadd9**
 I will never lose my baby again

G
 My friends tried, but I wouldn't hear it
