No one teaches you what to do

But now my eyes leak acid rain on the pillow where you used to  
lay your head  
B Dbm7  
After giving you the best I had  
B E  
Tell me what to give after that  
B Dbm7 B  
All you want from me now is the green light of forgiveness  
E B  
You haven't met the new me yet  
Dbm7 B  
And I think she'll give you that

There is happiness

In our history, across our great divide  
B E  
There is a glorious sunrise

From the dress I wore at midnight, leave it all behind

B  
And there is happiness
