

Taylor Swift - I Bet You Think About Me

tom:

C
AM and I'm still awake
Am G
I'll bet you're just fine
F
Fast asleep in your city
G
That's better than mine
C G
And the girl in your bed
Am G
Has a fine pedigree
F
And I'll bet your friends tell you
G
She's better than me, huh
(C G Am G)
(F G)

C G
Well, I tried to fit in
Am G
With your upper-crust circles
F
Yeah, they let me sit in back
G
When we were in love
C G
Oh, they sit around talkin' about
Am G
The meaning of life
F
And the book that just saved 'em
G
That I hadn't heard of
F C
But now that we're done and it's over
F C
I bet you couldn't believe
Am
When you realized I'm harder
G
To forget than I was to leave
C
And I bet you think about me
(G Am G F G)

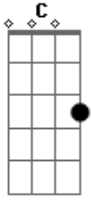

C G Am G
You grew up in a silver-spoon
Am G
Gated community
F
Glamorous, shiny, bright
G
Beverly Hills
C G
I was raised on a farm, no
Am G
It wasn't a mansion
F
Just livin' room dancin'
G
And kitchen table bills
C G
But you know what they say
Am G
You can't help who you fall for
F
And you and I fell like
G
An early spring snow
C G

But reality crept in
Am G
You said we're too different
F
You laughed at my dreams
G
Rolled your eyes at my jokes
F C
Mr. Superior Thinkin'
F C
Do you have all the space that you need?
Am
I don't have to be your shrink
G
To know that you'll never be happy
C G Am G F
And I bet you think about me
G C G
I bet you think about me, yes
Am G F G
I bet you think about me
F C
Oh, block it all out
G
The voices so loud, sayin'
Am G F
"Why did you let her go?"
C
Does it make you feel sad
G
That the love that you're lookin' for
F
Is the love that you had?
C G
Now you're out in the world
Am G
Searchin' for your soul
F
Scared not to be hip
G
Scared to get old
C G
Chasing make-believe status
Am G
Last time you felt free
F
Was when none of that shit mattered
G
'Cause you were with me
F C
But now that we're done and it's over
F C
I bet it's hard to believe
Am
That it turned out I'm harder
G
To forget than I was to leave
C G Am G F
And, yeah, I bet you think about me
G C G
I bet you think about me, yes
Am G F
I bet you think about me
G C
I bet you think about me
G
When you're out
Am G
At your cool indie music
F
Concerts every week
G C
I bet you think about me

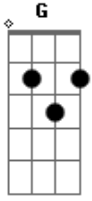

In your house ^G
 With your organic shoes ^{Am} ^G
 And your million-dollar couch ^F
 I bet you think about me ^G ^C

When you say ^G
 "Oh my God, she's insane ^{Am} ^G
 She wrote a song about me" ^F
 I bet you think about me ^G ^C
