

# Taylor Swift - I Bet You Think About Me (feat. Chris Stapleton)

tom:  
 C  
 [Primeira Parte]  
 C Am G  
 3 AM and I'm still awake, I'll bet you're just fine  
 F G  
 Fast asleep in your city that's better than mine  
 C Am G  
 And the girl in your bed has a fine pedigree  
 F G  
 And I'll bet your friends tell you she's better than me, huh

( C Am G )  
 ( F G )

[Segunda Parte]

C Am G  
 Well, I tried to fit in with your upper-crust circles  
 F G  
 Yeah, they let me sit in back when we were in love  
 C Am G  
 Oh, they sit around talkin' about the meaning of life  
 F G  
 And the book that just saved 'em that I hadn't heard of

[Refrão]

F C  
 But now that we're done and it's over  
 F C  
 I bet you couldn't believe  
 Am G  
 When you realized I'm harder to forget than I was to leave  
 C Am G F G  
 And I bet you think about me

[Terceira Parte]

C Am G  
 You grew up in a silver-spoon gated community  
 F G  
 Glamorous, shiny, bright Beverly Hills  
 C Am G  
 I was raised on a farm, no, it wasn't a mansion  
 F G  
 Just livin' room dancin' and kitchen table bills

[Quarta Parte]

C Am G  
 But you know what they say, you can't help who you fall for  
 F G  
 And you and I fell like an early spring snow  
 C Am G  
 But reality crept in, you said we're too different  
 F G  
 You laughed at my dreams, rolled your eyes at my jokes

[Refrão]

F C  
 Mr. Superior Thinkin'  
 F C  
 Do you have all the space that you need?  
 Am

## Acordes

G  
 I don't have to be your shrink to know that you'll never be happy

C Am G F  
 And I bet you think about me

G C  
 I bet you think about me, yes  
 Am G F G  
 I bet you think about me  
 [Ponte]

F C  
 Oh, block it all out  
 G

The voices so loud, sayin'  
 Am G F  
 "Why did you let her go?"

C  
 Does it make you feel sad  
 G

That the love that you're lookin' for  
 F  
 Is the love that you had?

[Quinta Parte]

C Am G  
 Now you're out in the world, searchin' for your soul  
 F G  
 Scared not to be hip, scared to get old  
 C Am G  
 Chasing make-believe status, last time you felt free  
 F G  
 Was when none of that shit mattered 'cause you were with me

[Refrão]

F C  
 But now that we're done and it's over  
 F C  
 I bet it's hard to believe  
 Am G  
 That it turned out I'm harder to forget than I was to leave  
 C Am G F  
 And, yeah, I bet you think about me

G C  
 I bet you think about me, yes  
 Am G F  
 I bet you think about me

[Final]

G C  
 I bet you think about me when you're out  
 Am G F  
 At your cool indie music concerts every week  
 G C  
 I bet you think about me in your house  
 Am G F  
 With your organic shoes and your million-dollar couch  
 G C  
 I bet you think about me when you say  
 Am G F  
 "Oh my God, she's insane, she wrote a song about me"  
 G C  
 I bet you think about me
