

Taylor Swift - I Look In People's Windows

G tom: [Intro] Dbm7 A

[Primeira Parte]

Dbm7
I had died the tiniest death
A
I spied the catch in your breath
A
Out, out, out, out, out, out
Dbm7
Northbound I got carried away

As you boarded your train
A
South, south, south, south, south
South

[Pré-Refrão]

Dbm7
A feather taken by the wind blowing
A
I'm afflicted by the not knowing so

[Refrão]

Dbm7 **B**
I look in people's windows
A
Transfixed by rose golden glows
Dbm7 **B** **A**
Dbm7
They have their friends over to drink
Nice wine
B
I look in people's windows
A
In case you're at their table
Dbm7 **B** **A**
What if your eyes looked up and met
Mine

Dbm7 **A**
One more time

[Segunda Parte]

Dbm7
You had stopped and tilted your head

I still ponder what it meant
A
Now, now, now, now, now, now
Dbm7
I tried searching faces on streets

What are the chances you'd be
A
Downtown, downtown, downtown?

[Pré-Refrão]

Dbm7
Does it feel alright to not know me?
A
I'm addicted to the "if only?"

[Refrão]

Dbm7 **B**
I look in people's windows
A
Like I'm some deranged weirdo
Dbm7 **B** **A**
Dbm7
I attend Christmas parties from
Outside
B
I look in people's windows
A
In case you're at their table
Dbm7 **B** **A**
What if your eyes looked up and met
Mine
Dbm7 **A**
One more time
