

# Taylor Swift - I Look In People's Windows

G tom: [Intro] Dbm A

[Primeira Parte]

**Dbm**  
I had died the tiniest death  
**A**  
I spied the catch in your breath  
**A**  
Out, out, out, out, out, out  
**Dbm**  
Northbound I got carried away  
  
As you boarded your train  
**A**  
South, south, south, south, south  
South

[Pré-Refrão]

**Dbm**  
A feather taken by the wind blowing  
**A**  
I'm afflicted by the not knowing so

[Refrão]

**Dbm B**  
I look in people's windows  
**A**  
Transfixed by rose golden glows  
**Dbm B A**  
**Dbm**  
They have their friends over to drink  
Nice wine  
**B**  
I look in people's windows  
**A**  
In case you're at their table  
**Dbm B A**  
What if your eyes looked up and met  
Mine

**Dbm A**  
One more time

[Segunda Parte]

**Dbm**  
You had stopped and tilted your head  
  
I still ponder what it meant  
**A**  
Now, now, now, now, now, now  
**Dbm**  
I tried searching faces on streets  
  
What are the chances you'd be  
**A**  
Downtown, downtown, downtown?

[Pré-Refrão]

**Dbm**  
Does it feel alright to not know me?  
**A**  
I'm addicted to the "if only?"

[Refrão]

**Dbm B**  
I look in people's windows  
**A**  
Like I'm some deranged weirdo  
**Dbm B A**  
**Dbm**  
I attend Christmas parties from  
Outside  
**B**  
I look in people's windows  
**A**  
In case you're at their table  
**Dbm B A**  
What if your eyes looked up and met  
Mine  
**Dbm A**  
One more time
