

Taylor Swift - I Think He Knows

Tom: Bb
Intro: Bb Gm

I think he knows

His footprints on the sidewalk
Lead to where I can't stop

Go there every night
I think he knows

His hands around a cold glass
Make me wanna know that
Body like it's mine

Bb
He got that boyish look that I like in a man

Gm
It's like I'm 17, nobody understands
Gm
No one understands

He got my heartbeat
Skipping down 16th Avenue
Got that, oh, I mean
Wanna see what's under that attitude like
I want you, bless my soul
And I ain't gotta tell him, I think he knows
I think he knows

I think he knows

When we get all alone
I'll make myself at home

And he'll want me to stay
I think he knows

He better lock it down
Or I won't stick around
'Cause good ones never wait (Ha)
