

# Taylor Swift - I Wish You Would

tom:

Intro: C

It's 2 am in your car  
 Windows down, you pass my street, the memories start  
 You say "it's in the past" and drive straight ahead  
 You're thinking that I hate you now 'cause you still don't  
 Know what I never said

I wish you would come back, wish I never hung up the phone  
 like I did, I

..Wish you knew that I'll never forget you as long as I live  
 and I

..Wish you were right here, right now, it's all good, I wish  
 you would

( C )

It's 2 am, in my room

Headlights pass the window pane, I think of you  
 We're a crooked love in a straight line down

If you wanna run and hide then it makes you turn right back  
 around

I wish you would come back, wish I never hung up the phone  
 like I did, I

..Wish you knew that I'll never forget you as long as I live  
 and I

..Wish you were right here, right now, it's all good, I wish  
 you would

I wish we could go back and remember what we were fighting for  
 Wish you know that I miss you too much to mad anymore

Wish you were right here, right now, it's all good, I wish  
 you would

I I I I I  
 I wish I wish I

I I I I I  
 I wish I wish I

I I I I I  
 I wish I wish I

You always knew how to push my buttons

You gave everything and nothing

## Acordes

This mad mad love makes you come running  
 Stand back were you stood

I wish you would, I wish you would (I wish you would, I wish  
 you would)

I wish you would, I wish you would (I wish you would, I wish  
 you would)

2Am, here we are

See your face here my voice in the dark  
 We're a crooked love

In a straight line down

Guess you wanna run and hide but it made us turn right back  
 around

I wish you would come back, wish I never hung up the phone  
 like I did, I

..Wish you knew that I'll never forget you as long as I live  
 and I

..Wish you were right here, right now, it's all good, I wish  
 you would

I wish you would come back, wish I never hung up the phone  
 like I did, I

..Wish you knew that I'll never forget you as long as I live  
 and I

..Wish you were right here, right now, it's all good, I wish  
 you would

I wish we could go back and remember what we were fighting for  
 Wish you know that I miss you too much to mad anymore

Wish you were right here, right now, it's all good, I wish  
 you would

You always knew how to push my buttons

You gave everything and nothing

This mad mad love makes you come running

Stand back were you stood

I wish you would, I wish you would (I wish you would, I wish  
 you would)

I wish you would, I wish you would (I wish you would, I wish  
 you would)
