

Taylor Swift - I'd Lie

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa (capo 1ª casa) D)

(intro 2x) D A Em G

I don't think that passenger seat
 Has ever looked this good to me
 He tells me about his night
 I count the colors in his eyes

He'll never fall in love he swears
 As he runs his fingers through his hair
 I'm laughing 'cause I hope he's wrong
 And I don't think it ever crossed his mind
 He tells a joke, I fake a smile
 But I know all his favorite songs

And I could tell you
 His favorite color's green
 He loves to argue
 Born on the seventeenth
 His sister's beautiful
 He has his father's eyes
 And if you ask me if I love him... I'd lie
 (D A Em G)

He looks around the room
 Innocently overlooks the truth
 Shouldn't a light go on?
 Doesn't he know that I've had him memorized for so long
 He sees everything in black and white

Never let nobody see him cry
 I don't let nobody see me wishing he was mine

And I could tell you
 His favorite color's green
 He loves to argue
 Born on the seventeenth
 His sister's beautiful
 He has his father's eyes
 And if you ask me if I love him... I'd lie

(D A Em G) (2x)
 He stands there, then walks away
 My God, if I could only say
 I'm holding every breath for you

He'd never tell you
 But he can play guitar
 I think he can see through
 Everything but my heart
 First thought when I wake up is
 My God, he's beautiful
 So I put on my make-up and pray for a miracle

Yes I could tell you
 His favorite color's green
 He loves to argue
 Oh, and it kills me
 His sister's beautiful
 He has his father's eyes
 And if you ask me if I love him...
 If you ask me if I love him... I'd lie
 (D A Em G D)
