

Taylor Swift - If This Was a Movie

Tom: E

(intro 2x)

(verso 1)

Last night I heard my own heart beating
Sounded like footsteps on my stairs
Six months gone and I'm still reaching
Even though I know you're not there
I was playing back a thousand memories baby
Thinkin' bout everything we've been through
Maybe i've been going back too much lately
When time stood still and I had you

(refrão)

A
Come back come back come back to me like
B
You would you would if this was a movie
Dbm B A B
Stand in the rain outside til I came out
E
Come back come back come back to me like
B
You could you could if you just said you're sorry
Dbm B A
I know that we can work it out somehow

But if this was a movie you'd be here by now
