

# Taylor Swift - Invisible

Tom: G

She can't see the way your eyes,  
 Will light up when you smile  
 She'll never notice how you stop and stare  
 Whenever she walks by  
 And you can't see me wanting you the way you want her  
 But you are everything to me

And I just want to show you  
 She don't even know you  
 She's never gonna love you like I want to  
 And you just see right through me  
 But if you only knew me  
 We could be a beautiful miracle unbelievable  
 Instead of just invisible

There's a fire inside of you  
 That can't help but shine through  
 She's never going to see the light  
 No matter what you do

And all I think about is how to make you think of me  
 And everything that we could be

And I just want to show you  
 She don't even know you  
 She's never gonna love you like I want to  
 And you just see right through me  
 But if you only knew me  
 We could be a beautiful miracle unbelievable  
 Instead of just invisible  
 Like shadows in the faded light  
 Oh, we're invisible  
 I just wanna open your eyes  
 and make you realize  
 I just want to show you  
 She don't even know you  
 Baby let me love you, let me want you  
 You just see right through me  
 But if you only knew me  
 We could be a beautiful, miracle unbelievable  
 Instead of just invisible  
 She can't see the way your eyes  
 Light up when you smile... (Opicional G como final)
