

Taylor Swift - Jump Then Fall

Tom: G

(intro 2x) D A G G

D A
i like the way you sound in the morning
G when we're on the phone and without a warning
D A G
i realize your laugh is the best sound
G i have ever heard
D A
i like the way i cant keep my focus
G when i watch you talk, you didn't notice
D A G
i hear the words but all i can think is
G A
we should be together

G
every time you smile, i smile
A
and every time you shine,
i'll shine for you

D
Woah, im feeling you baby
A
dont be afraid to
G
jump then fall
A
jump then fall Into me
D
baby, i'm never gonna leave you
A G
say that you want to be with me too
A
'cause imma stay through it all
D A G
so jump then fall

D A
i like the way your hair falls in your face
G
you got the keys to me
G
i love each freackle on your face
D A
ive never been so wrapped up
G G A
honey i like the way youre everything i ever wanted
D A
i had time to think it over
G
and all i can say is come closer
D A
take a deep breath
G A
and jump then fall into me

G
'cause every time you smile, i smile
A
and every time you shine,
i'll shine for you.

D
Woah, im feeling you baby
A
dont be afraid to

G
jump then fall
A
jump then fall Into me
D
baby, i'm never gonna leave you
A
say that you want to be with me too
G
'cause imma stay through it all
A D A G
so jump then fall

C
thought was gonna drop
G
out from under our feet
D
ill catch you
A
ill catch you

C
and people say things
G D
that'll bring you to your knees
A
ill catch you
C
the time is gonna come
G D A
when youre so mad you could cry

C
but ill hold you through
G A
the night until you smile

D
Woah, i need you baby
A
dont be afraid please
G
jump then fall
A
jump then fall into me

D
baby, i'm never gonna leave you
A G
Say that you want to be with me too
A
'cause Imma stay through it all
D
so jump then fall.
A G
jump then fall baby

D
every time you smile, i'll smile
A
and every time you shine, i'll shine
G
and every time youre here
A
baby ill show you

ill show you, you can
D
jump then fall
A
jump then fall
G
jum then fall
A D
into me yeah
