

Taylor Swift - King Of My Heart

Tom: C

C
I'm perfectly fine, I live on my own
Am **F**
I made up my mind, I'm better off being alone
C **G**
We met a few weeks ago
Am **F**
Now you try on calling me, baby, like trying on clothes

C
So salute to me, I'm your American queen
G
And you move to me like I'm an Motown beat
Am **F**
And we rule the kingdom inside my room
C
'Cause all the boys and their expensive cars
G
With their Range Rovers and their Jaguars
Am **F**
Never took me quite where you do

C **G**
And all at once, you are the one I have been waiting for
Am **F**
King of my heart, body and soul, ooh whoa
C **G**
And all at once, you are all I want, I'll never let you go
Am **F**
King of my heart, body and soul, ooh whoa

C **G**
And all at once, I've been waiting, waiting
F **G**
Ooh whoa, ooh whoa
C **G**
And all at once, you are the one I have been waiting, waiting
F **G**
Body and soul, ooh whoa
C
And all at once

C **G**
Late in the night, the city's asleep
Am **F** **C**
Your love is a secret I'm hoping, dreaming, dying to keep
G
Change my priorities
Am **F**
The taste of your lips is my idea of luxury

C
So salute to me, I'm your American queen
G
And you move to me like I'm an Motown beat
Am **F**
And we rule the kingdom inside my room
C
'Cause all the boys and their expensive cars
G

With their Range Rovers and their Jaguars
Am **F**
Never took me quite where you do

C **G**
And all at once, you are the one I have been waiting for
Am **F**
King of my heart, body and soul, ooh whoa
C **G**
And all at once, you are all I want, I'll never let you go
Am **F**
King of my heart, body and soul, ooh whoa

C **G**
And all at once, I've been waiting, waiting
Am **F**
Ooh whoa, ooh whoa

C **G**
And all at once, you are the one I have been waiting, waiting
Am **F**
Body and soul, ooh whoa
C
And all at once

C
Is the end of all the endings?

G
My broken bones are mending
Am **F**
With all the nights we're spending
C
Up on the roof with a school girl crush
G

Drinking beer out of plastic cups
Say you fancy me, not fancy stuff
F
Baby, all at once, this is enough

C **G**
And all at once, you are the one I have been waiting for
Am **F**
King of my heart, body and soul, ooh whoa
C **G**
And all at once, you are all I want, I'll never let you go
Am **F**
King of my heart, body and soul, ooh whoa
C **G**
And all at once, you are all I want, I'll never let you go
Am **F**
King of my heart, body and soul, ooh whoa

C **G**
And all at once, I've been waiting, waiting
Am **F**
Ooh whoa, ooh whoa

C **G**
And all at once, you are the one I have been waiting, waiting
Am **F**
Body and soul, ooh whoa
C
And all at once
