

Taylor Swift - Last Kiss

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa (capo 3ª casa) G)

(intro) G Em7 C D

G
I still remember the look on your face,
Em7
Lit through the darkness at 1:58,
C
The words that you whispered for just us to know.
D
You told me you loved me so why did you go
G
Away?
Em7
Away.

(C D)

G
I do recall now the smell of the rain,
Em7
Fresh on the pavement. I ran off the plane.
C
That July 9th, the beat of your heart.
D
It jumps through your shirt. I can still feel your arms.

C
But now I'll go sit on the floor,
G
Wearing your clothes.

C
All that I know is I don't know.
D
How to be something you miss.

G Em7
I never thought we'd have a last kiss.
C Em7 D
Never imagined we'd end like this.
C D
Your name forever the name on my lips.

G
I do remember the swing in your step.
Em7
The life of the party, you're showing off again.
C
And I roll my eyes and then you pull me in.
D
I'm not much for dancin', but for you I did.
G
Because I love your handshake, meetin' my father.
Em7
I love how you walk with your hands in your pockets.
C
How you kissed me when I was in the middle of sayin'
something.
D
There's not a day I don't miss those rude interruptions.

C
And I'll go sit on the floor,
G
Wearing your clothes.
C
All that I know is I don't know
D
How to be something you miss.

G Em7
I never thought we'd have a last kiss.
C Em7 D
Never imagined we'd end like this.
C D
Your name forever the name on my lips.

C D
Oo-oo-oo.

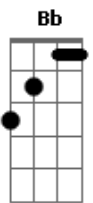

G Em7
So I'll watch your life in pictures
C
Like I used to watch you sleep
D
And I'll feel you forget me
G
Like I used to feel you breathe
Em7
And I'll keep up with our old friends
C
Just to ask them how you are.
D
Hope it's nice where you are.

C
And I hope the sun shines and it's a beautiful day
G
And something reminds you, you wish you had stayed.
C
You can plan for a change in the weather in town,
D
but I never planned on you changing your mind.

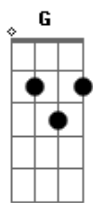

C
So I'll go sit on the floor,
G
Wearing your clothes.
C
All that I know is I don't know
D
How to be something you miss.

G Em7
I never thought we'd have a last kiss.
C Em7 D
Never imagined we'd end like this.
C D
Your name forever the name on my lips.
G
Just like our last kiss.
Em7
Forever the name on my lips.
C D
Forever the name on my lips.
G
Just like our last.
