

# Taylor Swift - Last Kiss

Tom: **Bb**

(com acordes na forma de **G**)  
 Capotraste na 3ª casa  
 (capo 3ª casa)

(intro) **G Em7 C D**

**G**  
 I still remember the look on your face,  
**Em7**  
 Lit through the darkness at 1:58,  
**C**  
 The words that you whispered for just us to know.  
**D**  
 You told me you loved me so why did you go  
**G**  
 Away?  
**Em7**  
 Away.  
 ( **C D** )

**G**  
 I do recall now the smell of the rain,  
**Em7**  
 Fresh on the pavement. I ran off the plane.  
**C**  
 That July 9th, the beat of your heart.  
**D**  
 It jumps through your shirt. I can still feel your arms.

**C**  
 But now I'll go sit on the floor,  
**G**  
 Wearing your clothes.  
**C**  
 All that I know is I don't know.  
**D**  
 How to be something you miss.  
**G** **Em7**  
 I never thought we'd have a last kiss.  
**C** **Em7** **D**  
 Never imagined we'd end like this.  
**C** **D**  
 Your name forever the name on my lips.

**G**  
 I do remember the swing in your step.  
**Em7**  
 The life of the party, you're showing off again.  
**C**  
 And I roll my eyes and then you pull me in.  
**D**  
 I'm not much for dancin', but for you I did.  
**G**  
 Because I love your handshake, meetin' my father.  
**Em7**  
 I love how you walk with your hands in your pockets.  
**C**  
 How you kissed me when I was in the middle of sayin'  
 something.  
**D**  
 There's not a day I don't miss those rude interruptions.

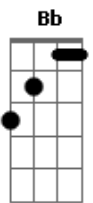

**C**  
 And I'll go sit on the floor,  
**G**  
 Wearing your clothes.  
**C**  
 All that I know is I don't know  
**D**  
 How to be something you miss.  
**G** **Em7**  
 I never thought we'd have a last kiss.  
**C** **Em7** **D**  
 Never imagined we'd end like this.  
**C** **D**  
 Your name forever the name on my lips.  
**C** **D**  
 Oo-oo-oo.

**G** **Em7**  
 So I'll watch your life in pictures  
**C**  
 Like I used to watch you sleep  
**D**  
 And I'll feel you forget me  
**G**  
 Like I used to feel you breathe  
**Em7**  
 And I'll keep up with our old friends  
**C**  
 Just to ask them how you are.  
**D**  
 Hope it's nice where you are.

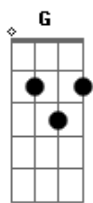

**C**  
 And I hope the sun shines and it's a beautiful day  
**G**  
 And something reminds you, you wish you had stayed.  
**C**  
 You can plan for a change in the weather in town,  
**D**  
 but I never planned on you changing your mind.

**C**  
 So I'll go sit on the floor,  
**G**  
 Wearing your clothes.  
**C**  
 All that I know is I don't know  
**D**  
 How to be something you miss.  
**G** **Em7**  
 I never thought we'd have a last kiss.  
**C** **Em7** **D**  
 Never imagined we'd end like this.  
**C** **D**  
 Your name forever the name on my lips.  
**G**  
 Just like our last kiss.  
**Em7**  
 Forever the name on my lips.  
**C** **D**  
 Forever the name on my lips.  
**G**  
 Just like our last.
