

Taylor Swift - Lavender Haze

tom:
 Capotraste na 1ª casa
 Intro: D E

Meet me at midnight

(D E Bm)

Staring at the ceiling with you

Oh, you don't ever say too much

And you don't really read into

My melancholia

I've been under scrutiny (Yeah, oh, yeah)

You handled it beautifully (Yeah, oh, yeah)

All this shit is new to me (Yeah, oh, yeah)

I feel

The lavender haze creepin' up on me

So real

I'm damned if I do give a damn what people say

No deal

The 1950s shit they want for me

I just wanna stay in our lavender haze

(D E Bm)

All they keep asking me (All they keep asking me)

Is if I'm gonna be your bride

The only kinda girl they see (Only kinda girl they see)

Is a one-night or a wife

I find it dizzying (Yeah, oh, yeah)

They're bringin' up my history (Yeah, oh, yeah)

But you ain't even listening (Yeah, oh, yeah)

Oh

I feel

The lavender haze creepin' up on me

So real

I'm damned if I do give a damn what people say

No deal

The 1950s shit they want for me

I just wanna stay in our lavender haze

The lavender haze

Talk your talking, go viral

I just need this love spiral

Get it off your chest

Get it off my desk (Off my desk)

Talk your talking, go viral

I just need this love spiral

Get it off your chest

Get it off my desk

I feel (I feel)

The lavender haze creepin' up on me

So real

I'm damned if I do give a damn what people say

No deal (No deal)

The 1950s shit they want for me

I just wanna stay in our lavender haze (Oh)

Get it off your chest

Get it off my desk

The lavender haze

I just wanna stay
 I just wanna stay in our lavender haze

Acordes
