

# Taylor Swift - Long Live

tom:

Intro: G C Em D C

[Primeira Parte]

I say remember this moment In the back of my mind  
 The time we stood with our shaking hands  
 The crowds in stands went wild  
 We were the kings and the queens  
 And they read off our names  
 The night you danced like you knew our lives  
 Would never be the same  
 You held your head like a hero On a history book page  
 It was the end of a decade But the start of an age

[Refrão]

Long live the walls we crashed through  
 All the kingdom lights shined just for me and you  
 I was screaming, "long live all the magic we made"  
 And bring on all the pretenders  
 One day we will be remembered

[Segunda Parte]

I said remember this feeling I passed the pictures around  
 Of all the years that we stood there on the sidelines  
 Wishing for right now  
 We are the kings and the queens You traded your baseball cap  
 for a crown  
 When they gave us our trophies And we held them up for our  
 town  
 And the cynics were outraged Screaming, "this is absurd"  
 'Cause for a moment a band of thieves in  
 Ripped up jeans got to rule the world

[Refrão]

Long live the walls we crashed through  
 All the kingdom lights shined just for me and you  
 I was screaming, "long live all the magic we made"  
 And bring on all the pretenders I'm not afraid

## Acordes

Long live all the mountains we moved  
 I had the time of my life  
 Fighting dragons with you  
 I was screaming, "long live the look on your face"  
 And bring on all the pretenders  
 One day we will be remembered

[Ponte]

Hold on to spinning around  
 Confetti falls to the ground  
 May these memories break our fall

[Terceira Parte]

And you take a moment  
 Promise me this  
 That you'll stand by me forever  
 But if God forbid fate should step in  
 And force us into a goodbye  
 If you have children someday  
 When they point to the pictures  
 Please tell them my name  
 Tell them how the crowds went wild  
 Tell them how I hope they shine

[Refrão]

Long live the walls we crashed through  
 I had the time of my life with you  
 Long, long live the walls we crashed through  
 All the kingdom lights shined just for me and you  
 I was screaming, "long live all the magic we made"  
 And bring on all the pretenders I'm not afraid  
 Long live all the mountains we moved  
 I had the time of my life  
 Fighting dragons with you  
 Long live the look on your face  
 And bring on all the pretenders  
 One day we will be remembered
