

Taylor Swift - Long Live (feat. Paula Fernandes)

Tom: G
Intro: G C Em7 D C

Primeira Parte:

Lembrei desse sentimento
Gritando dentro de nós
Éramos todos meninos
E em cada um vivia uma paixão
Como na cena de um filme
Vencemos pesadelos enfrentando os dragões
Criados por nossos medos
Fruto da imaginação
De frente a uma nova era
Na onda de uma canção
Nós construímos história
Mente, alma e coração

Refrão:

Long live the walls
We crashed through
How the kingdom lights shined
Just for me and you
I was screaming long live
All the magic we made
And bring on all the pretenders
One day we will be remembered

Segunda Parte:

I said remember this feeling
I passed the pictures around
Of all the years that we stood there
On the side-lines wishing for right now
We are the kings and the queens
You traded your baseball cap for a crown
When they gave us our trophies
And we help them up for our town
De frente a uma nova era
Na onda de uma canção
Nós construímos história
Mente, alma e coração

Refrão:

Long live the walls
We crashed through
How the kingdom lights shined
Just for me and you
I was screaming long live
All the magic we made
And bring on all the pretenders
One day we will be remembered

Terceira Parte:

Hold on
Just spinning around
Confetti falls to the ground
May these memories break our fall

Quarta Parte:

Lembrei do momento
Que fiz promessa pra nós dois
Pintando o nosso destino
Puro e simples pleno
E sem fim
Que fosse assim
Sem um "goodbye"
Fosse pra sempre um "cheguei"
O sonho que construímos
Me vi feliz, eu te achei
Será muito mais que achar
Será muito além que pensar

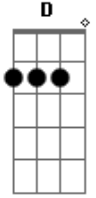

Refrão:
