

# Taylor Swift - Long Live (feat. Paula Fernandes)

Tom: G

Intro: G C Em D C

Primeira Parte:

Lembrei desse sentimento  
 Gritando dentro de nós  
 Éramos todos meninos  
 E em cada um vivia uma paixão  
 Como na cena de um filme  
 Vencemos pesadelos enfrentando os dragões  
 Criados por nossos medos  
 Fruto da imaginação  
 De frente a uma nova era  
 Na onda de uma canção  
 Nós construímos história  
 Mente, alma e coração

Refrão:

Long live the walls  
 We crashed through  
 How the kingdom lights shined  
 Just for me and you  
 I was screaming long live  
 All the magic we made  
 And bring on all the pretenders  
 One day we will be remembered

Segunda Parte:

I said remember this feeling  
 I passed the pictures around  
 Of all the years that we stood there  
 On the side-lines wishing for right now  
 We are the kings and the queens  
 You traded your baseball cap for a crown  
 When they gave us our trophies  
 And we help them up for our town  
 De frente a uma nova era  
 Na onda de uma canção  
 Nós construímos história  
 Mente, alma e coração

Refrão:

G

Long live the walls  
 We crashed through  
 How the kingdom lights shined  
 Just for me and you  
 I was screaming long live  
 All the magic we made  
 And bring on all the pretenders  
 I'm not afraid  
 Long live all the mountains we moved  
 I had the time of my life  
 Fighting dragons with you  
 I was screaming long live  
 The look on your face  
 And bring on all the pretenders  
 One day we will be remembered

Terceira Parte:

Hold on  
 Just spinning around  
 Confetti falls to the ground  
 May these memories break our fall

Quarta Parte:

Lembrei do momento  
 Que fiz promessa pra nós dois  
 Pintando o nosso destino  
 Puro e simples pleno  
 E sem fim  
 Que fosse assim  
 Sem um "goodbye"  
 Fosse pra sempre um "cheguei"  
 O sonho que construímos  
 Me vi feliz, eu te achei

Será muito mais que achar  
 Será muito além que pensar

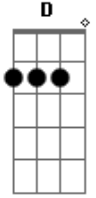

Refrão:
