

# Taylor Swift - Long Live / New Year's Day (Medley)

Tom: G  
Intro: G C Em D C

[Verso 1]

I say remember this moment In the back of my mind  
The time we stood with our shaking hands  
The crowds in stands went wild  
We were the kings and the queens  
And they read off our names  
The night you danced like you knew our lives  
Would never be the same  
You held your head like a hero On a history book page  
It was the end of a decade But the start of an age

[Refrão]

Long live the walls we crashed through  
All the kingdom lights shined just for me and you  
I was screaming, "long live all the magic we made"  
And bring on all the pretenders I'm not afraid

Long live all the mountains we moved  
I had the time of my life  
Fighting dragons with you  
long live the look on your face  
And bring on all the pretenders  
One day we will be remembered

( G C Em D C )

Hold on to spinning around  
Confetti falls to the ground  
May these memories break our fall

Hold on to spinning around  
Confetti falls to the ground

( C Am F )

There's glitter on the floor after the party  
Girls carrying their shoes down in the lobby  
Candle wax and Polaroids on the hardwood floor  
You and me from the night before, but

Don't read the last page  
But I stay when you're lost, and I'm scared  
And you're turning away

I want your midnights  
But I'll be cleaning up bottles with you on New Year's Day  
( C Am F )

You squeeze my hand three times in the back of the taxi  
I can tell that it's gonna be a long road  
I'll be there if you're the toast of the town, babe  
Or if you strike out and you're crawling home

Don't read the last page  
But I stay when it's hard, or it's wrong

Or we're making mistakes

I want your midnights  
But I'll be cleaning up bottles with you on New Year's Day

Hold on to the memories, they will hold on to you  
Hold on to the memories, they will hold on to you  
Hold on to the memories, they will hold on to you  
And I will hold on to you

Please don't ever become a stranger  
Whose laugh I could recognize anywhere

Please don't ever become a stranger  
Whose laugh I could recognize anywhere

There's glitter on the floor after the party  
Girls carrying their shoes down in the lobby  
Candle wax and Polaroids on the hardwood floor

You and me forevermore

Don't read the last page  
But I stay when you're lost, and I'm scared

And you're turning away

I want your midnights  
But I'll be cleaning up bottles with you on New Year's Day

Hold on to the memories, they will hold on to you  
Hold on to the memories, they will hold on to you  
Hold on to the memories, they will hold on to you  
And I will hold on to you

( C Am F )

And Long live the walls we crashed through  
I had time of my life

G  
With you  
C Am F

Long live the walls we crashed through  
C Am F  
I had time of my life  
With you

## Acordes
