

# Taylor Swift - Long Story Short / The Story Of Us

tom:  
 [Intro] F

F C  
 Fatefully

I tried to pick my battles 'til the battle picked me  
 F C  
 Misery

Am G  
 Like the war of words I shouted in my sleep  
 F C  
 And you passed right by  
 Am G  
 I was in the alley, surrounded on all sides  
 F C  
 The knife cuts both ways  
 G  
 If the shoe fits, walk in it 'til your high heels break

F C  
 And I fell from the pedestal  
 G  
 Right down the rabbit hole  
 Am  
 Long story short, it was a bad time  
 F C  
 Pushed from the precipices  
 G  
 Clung to the nearest lips  
 Am  
 Long story short, it was the wrong guy  
 F C G  
 Now I'm all about you  
 Am G F  
 I'm all about you, ah  
 C G  
 Yeah, yeah, yeah, yeah  
 Am G  
 I'm all about you, ah

C G F  
 I used to think one day we'd tell the story of us  
 How we met and the sparks flew instantly  
 C G F  
 People would say, "They're the lucky ones"  
 C G F  
 I used to know my place was a spot next to you

Now I'm searching the room for an empty seat  
 C G F  
 'Cause lately I don't even know what page you're on  
 G Am  
 ?G Oh, a simple complication  
 F C  
 Miscommunications lead to fall out  
 F  
 So many things that I wish you knew  
 G  
 So many walls that I can't break through  
 C G F  
 Now I'm standing alone in a crowded room  
 F  
 And we're not speaking  
 C G F  
 And I'm dying to know is it killing you

Like it's killing me, yeah  
 Am G C  
 I don't know what to say since a twist of fate  
 F  
 When it all broke down  
 Am G F  
 And the story of us looks a lot like a tragedy now  
 Next chapter  
 (?G Am F )  
 C  
 This is looking like a contest  
 F  
 Of who can act like they care less  
 Am G F  
 But I liked it better when you were on my side  
 C  
 The battle's in your hands now  
 F  
 But I would lay my armor down  
 Am G F  
 If you'd say you'd rather love than fight

F C  
 Past me  
 Am G  
 I wanna tell you not to get lost in these petty things  
 F C  
 Your nemeses  
 Am G  
 Will defeat themselves before you get the chance to swing  
 F C  
 And he's passing by  
 G Am G  
 Rare as the glimmer of a comet in the sky  
 F C  
 And he feels like home  
 G  
 If the shoe fits, walk in it everywhere you go

C G  
 Now I'm standing alone  
 F  
 In a crowded room and we're not speaking  
 C G F  
 And I'm dying to know is it killing you  
 F  
 Like it's killing me, yeah  
 Am G C  
 I don't know what to say since a twist of fate  
 F  
 ?Cause we're going down  
 Am  
 And the story of us  
 G F C G  
 Looks a lot like a tragedy now, now, now  
 F  
 And we're not speaking  
 C G F  
 And I'm dying to know is it killing you  
 F  
 Like it's killing me, yeah  
 Am G C  
 I don't know what to say since a twist of fate  
 F  
 'Cause we're going down

 And the story of us looks a lot like a tragedy now
