[Verse 1]

Am
I don't like your little games
Am
Don't like your titled stage
Am
The role you made me play
N.C.
Of the fool, no, I don't like you
Am
I don't like your perfect crime
Am
How you laugh when you lie
Am
You said the gun was mine
N.C.
Isn't cool, no, I don't like you

[Pre-Chorus]

Am
But I got smarter, I got harder in the nick of time
G
Honey, I rose up from the dead, I do it all the time
F
I've got a list of names and yours is in red underlined
E
I check it once, then I check it twice

[Chorus]

Am
Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do
Am
Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do

[Verse 2]

Am
I don't like your kingdom keys
Am
They once belonged to me

You ask me for a place to sleep

Locked me out and threw a feast (what?)

The world goes on, another day, another drama-drama

But not for me, not for me, all I think about is karma

And then the world moves on but one thing's for sure

Baby, I got mine, but you'll all get yours

[Pre-Chorus]

Am
But I got smarter, I got harder in the nick of time
G
Honey, I rose up from the dead, I do it all the time
F
I've got a list of names and yours is in red underlined
E
I check it once, then I check it twice

[Chorus]

Ohh, look what you made me do

Look what you made me do
