

Taylor Swift - Lover

Tom: G

^G We could leave the ^D Christmas lights up 'til ^C January
^G This is our place, we make the ^D rules
 And there's a dazzling ^G haze, a mysterious way about you ^D dear
^G Have I known you 20 ^D seconds or 20 ^C years?

^G Can I go where you ^D go?
 Can we always be this close ^G forever and ^D ever?
 And ah, take me out, and take me ^C home
 You're ^G my, my, my, my, ^D lover

(G D C)

^G We could let our friends crash in the ^D living room
^G This is our place, we make the ^C call
 And I'm highly suspicious that everyone who sees you ^D wants you
^G I've loved you three ^D summers now, honey, but I want 'em ^C all

^G Can I go where you ^D go?
^G ^D ^C

Can we always be this close forever and ever?

^G And ah, take me out, and take me ^D home
^G You're ^G my, my, my, my, ^D lover

^G Ladies and gentlemen, will you please stand?

With every guitar string scar on my hand
^C I take this magnetic force of a man to be my ^D lover
^G My heart's been borrowed and yours has been ^D blue

^{Em} All's well that ends well to end up with you
^C Swear to be overdramatic and true to my ^D lover

And you'll save all your dirtiest jokes for me
^{Am} And at every table, I'll save you a seat, ^D lover

^G Can I go where you ^D go?

^G Can we always be this close ^D forever and ^C ever?

And ah, take me out, and take me home (Forever and ever)

^G You're my, my, my, my

^G Oh, you're my, my, my, my

^G Darling, you're my, my, my, my ^D lover
