

# Taylor Swift - Lover

Tom: G

<sup>G</sup> We could leave the <sup>D</sup> Christmas lights up 'til January  
<sup>G</sup> This is our place, we make the rules  
 And there's a dazzling haze, a mysterious way about you dear  
<sup>G</sup> Have I known you 20 seconds or 20 years?

Can I go where you go?  
 Can we always be this close forever and ever?  
 And ah, take me out, and take me home  
 You're my, my, my, my, lover

( G D C )

<sup>G</sup> We could let our friends crash in the living room  
<sup>G</sup> This is our place, we make the call  
 And I'm highly suspicious that everyone who sees you wants you  
<sup>G</sup> I've loved you three summers now, honey, but I want 'em all

Can I go where you go?  
 Can we always be this close forever and ever?

Can we always be this close forever and ever?  
 And ah, take me out, and take me home  
 You're my, my, my, my, lover

Ladies and gentlemen, will you please stand?  
 With every guitar string scar on my hand  
 I take this magnetic force of a man to be my lover  
 My heart's been borrowed and yours has been blue  
 All's well that ends well to end up with you  
 Swear to be overdramatic and true to my lover  
 And you'll save all your dirtiest jokes for me  
 And at every table, I'll save you a seat, lover

Can I go where you go?  
 Can we always be this close forever and ever?  
 And ah, take me out, and take me home (Forever and ever)  
 You're my, my, my, my  
 Oh, you're my, my, my, my  
 Darling, you're my, my, my, my lover
